

New Penshaw Academy

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	161
Total number of pupils eligible for PPG: FSM LAC/ Post LAC Ever 6 Service children Early Years	74
Amount of PPG received per pupil	1320 FSM/Ever 6 1900 LAC 300 Service child 302.10 EYPP
Total amount of PPG received	£95,040

Nature of support
<p>The government offers funding to tackle inequalities between children on free school meals and their peers called the pupil premium. Pupil Premium funding supports pupils who are currently eligible for free school meals, or who have been eligible for free school meals at any point in the last six years.</p> <p>For the academic year 2019/20 our pupil premium funding was £95,040 which we allocated to the following areas:</p> <ul style="list-style-type: none"> • Retention of support staff • Targeted intervention • Educational visits subsidised • Nurture groups • Access to Out of hours clubs and provision. • Attendance monitoring • Resources <p>Due to the coronavirus pandemic, like all schools nationally we closed in March 2020. During lockdown we supported our disadvantaged pupils through home learning, both on line and in paper formats. Laptops were provided for LAC pupils to enable home learning. A small number of our disadvantaged pupils accessed our key worker childcare provision during lockdown. When school reopened to identified year groups in March, eligible disadvantaged pupils were able to</p>

return although home learning continued for those whose parents did not choose to return in order to support their academic progress and attainment.

Focus of PPG spending

2019-20 Pupil Premium Funding:

Funding received £95,040

<ul style="list-style-type: none"> • Retention of support staff • Targeted intervention • Resources to support on-line learning. • Staffing for Y2 and Y6 Booster 	<p>Targeted intervention programmes were developed as identified. In addition phonics was delivered to target year groups EYFS, Y1 and Y2.</p> <p>Due to school closure during the coronavirus pandemic end of year assessments did not take place however spring data showed:</p> <p>Spring data for EYFS</p> <ul style="list-style-type: none"> ○ 40% of pupils were on track to achieve GLD (NA 2019 71%) <p>*Prior to lockdown, children were making accelerated progress from low starting points and exit predictions were 74%T</p> <p>Spring data for Y2:</p> <ul style="list-style-type: none"> ○ Reading 64% (NA 2018 76%) ○ Writing 64% (NA 2018 70%) ○ Mathematics 59% (NA 2018 76%) ○ 7 PP pupils within this class: <ul style="list-style-type: none"> 4 out of 7 were predicted to achieve expected standard. From the remaining 3 pupils, 2 made good progress against end of year targets. <p>Spring data for Y6:</p>

Measuring the impact of PPG spending

The impact of that expenditure on pupil premium children was as follows:

- All children received specific individual support with core subject intervention sessions. This targeted provision was successful for most pupils in enabling them to catch up with other pupils if they had fallen behind and for others, to accelerate their progress further. However, with shutdown and many children missing 6 months of education in school, a recovery curriculum for our disadvantaged pupils will be a priority for academic year 2020/2021

Key Stage 2 pupils on track to achieve EXS (spring 2020 data outcomes)

Subject	Proportion of pupils supported by pupil premium who were on track to achieve KS2 standard	National benchmark 2019
Reading	70%	73%
Maths	70%	76%
Writing	70%	78%
Subject	Proportion of pupils supported by pupil premium who were on track to achieve KS1 standard	National benchmark 2018
Reading	57%	74%
Maths	57%	78%
Writing	57%	74%
