

PE and Sports Grant Funding 2020/21

The Department of Education provides additional funding to all schools to help them improve their provision of PE and Sport for the benefit of primary aged pupils so that they develop healthy lifestyles.

New Penshaw Academy will receive £17,250 for PE funding. We have, and are, using this funding to provide inclusive learning opportunities and experiences within PE. We have improved the quality and breadth of PE allowing accessibility and development for all.

It is expected schools will see improvements against the following five key indicators:

1. The engagement of all pupils in regular physical activity - kick starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and school sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
