## Showbie – Online Learning and Homework

Dear parents/carers,

We are delighted to share with you the exciting news that we will be launching a new programme to support learning from home and homework: Showbie. Your child will come home tonight with a guide on how to use the software and their homework has already been set by their class teacher. Year 6 have had the pleasure of trialling this, this week and they have had lots of positive experiences.

Showbie is available to access on mobile phones, tablets, computers, laptops and iPads and it is available as an app for iPhone, iPad and Windows users. If you are not an Apple or Windows user, you can still access the website in any browser. Children can write, type or leave voice notes on the work that they have been set and they can send this back to their teacher by clicking 'done'. You must click 'done' after making any changes to the homework. Included in the software is a message section, so you can contact the class teacher in there if you are experiencing any issues.

Partners of SPORTING  
FUTURES TRAINING

The children have been shown elements of Showbie this afternoon so I am certain they are looking forward to it. If you are experiencing any issues with the software or you have further questions, please contact your child's class teacher.

Thank you for your continued support,

Mr Hunter

Year 6 Teacher
